MOBILE PLAY & LEARNING LAB

Invite the Lexington Children's Museum to YOUR classroom! Our fun and educational Mobile Play & Learning Lab programs incorporate cross-curriculum connections through multiple disciplines.

Each program is led by LCM staff and can be tailored to each preschool or elementary grade level.

MOBILE PLAY & LEARNING LAB THEMES

Interesting Insects

GRADES: K-3

Learn all about insects and creepy crawlers. Students meet a tarantula and explore other bugs up close.

Watts the Bright Idea

GRADES: 3-5

Learn how electricity, circuits, insulators, and conductors. Then make your own circuits with using Snap Circuits.

Animal Adaptions

GRADES: 1-4

Students take an in-depth look at animals and the adaptations they make to survive in different environments.

Far From Basic

GRADES: 2-5

Students participate in experiments to determine the acidity of a solution using a pH indicator to determine acids and bases.

Everyone Codes

GRADES: K-5

Learn about coding and algorithms and how they affect our daily lives. Then spend time doing some hands on coding with our color-coding cars! (Staff favorite!)

COMING SOON!

Photography is Lit!

Students learn about light and shadow, perspective, and how a camera works.
